DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by MetLife, benefits will be paid within 25 days after MetLife receives due written proof in electronic form of a covered loss, or within 35 days after receipt of due written proof in paper form of a covered loss. Due written proof includes, but is not limited to, information essential for Us to administer coordination of benefits.

"Clean Claim" means a claim that:

- does not require further information, adjustment or alteration by You or the provider of the services in order for MetLife to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on Your behalf, a claim submitted more than 30 days after the date the provider bills You.

If MetLife is unable to pay a claim for Dental Insurance benefits because MetLife needs additional information or documentation, or there is a particular circumstance requiring special treatment, within 25 days after the date MetLife receives the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, MetLife will send You notice of what supporting documentation or information MetLife needs. Any claim or portion of a claim for Dental Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to You within 20 days after MetLife receives it.

NOTICE FOR RESIDENTS OF MISSISSIPPI (continued)

Clean Claim (Continued)

If MetLife does not deny payment of such benefits to You by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for clean claims submitted in paper form, and such benefits remain due and payable to You, interest will accrue on the amount of such benefits at the rate of 1½ percent per month until such benefits are finally settled. If MetLife does not pay benefits to You when due and payable, You may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. MetLife will pay benefits when MetLife receives satisfactory Written proof of Your claim.

Proof must be given to MetLife not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as the proof is given as soon as possible.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Health Insurance
  - o $500,000 in hospital, medical and surgical insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in disability income insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal You may submit any written comments, documents, records or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final determination within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the 30 day period, state the reason(s) why an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Policies and Procedures for Emergency and Urgent Care

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program (PDP) are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice.

An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured's contract.

Urgent Care Submission:

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with

NOTICE TO RESIDENTS OF VIRGINIA (continued)

enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the same time frames above and then mail you a written notice.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date, but not more frequently than once a year after the two-year period following the child's attainment of the limiting age.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

COBRA CONTINUATION FOR DENTAL INSURANCE

If Dental Insurance for You or a Dependent ends, You or Your Dependent may qualify for continuation of such insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of Your summary plan description or contact the Policyholder for information regarding continuation of insurance under COBRA.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who cease Active Work in an eligible class for any of the reasons specified below. If Your insurance is continued, insurance for Your Dependents may also be continued.

Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to any other Policyholder approved leave of absence, up to 3 months;
2. for the period You cease Active Work in an eligible class due to injury or sickness, up to 3 months.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

If Your insurance ends, Your Dependents' insurance will also end in accordance with the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS.

DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program. Dentists participating in the MetLife Preferred Dentist Program have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the MetLife Preferred Dentist Program, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The MetLife Preferred Dentist Program does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible;
- any other part of the Maximum Allowed Charge for which We do not pay benefits; and
- any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay $300 in benefits for such service, $300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental Insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is “incurred”. When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, We will only pay benefits for the root canal therapy.

Orthodontic Covered Services

Orthodontic treatment generally consists of initial placement of an appliance and periodic follow-up visits.

The benefit payable for the initial placement will not exceed 20% of the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins.

The benefit payable for the periodic follow-up visits will also be based on the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins. It will be payable on a quarterly basis during the course of the orthodontic treatment if:

- Dental Insurance is in effect for the person receiving the orthodontic treatment; and
- Proof is given to Us that the orthodontic treatment is continuing.

Benefits for Orthodontic Services Begun Prior to this Dental Insurance

If the initial placement was made prior to this Dental Insurance being in effect, the benefit payable will be reduced by the portion attributable to the initial placement.

If the periodic follow-up visits commenced prior to this Dental Insurance being in effect:

- the number of months for which benefits are payable will be reduced by the number of months of treatment performed before this Dental Insurance was in effect; and
- the total amount of the benefit payable for the periodic visits will be reduced proportionately.

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than $300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

Benefits We Will Pay After Insurance Ends

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a prosthetic device if:

- the Dentist prepared the abutment teeth or made impressions before Your insurance ends; and
- the device is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your insurance ends; and
- the Cast Restoration is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for completion of root canal therapy if:

- the Dentist opened into the pulp chamber before Your insurance ends; and
- the treatment is finished within 31 days after the date the insurance ends.

DENTAL INSURANCE: COORDINATION OF BENEFITS

COORDINATION OF THIS CONTRACT'S BENEFITS WITH OTHER BENEFITS

The Coordination of Benefits (COB) provision applies when a person has health care coverage under more than one Plan. Plan is defined below. The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the primary Plan. The primary Plan must pay benefits in accord with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the primary Plan is the secondary Plan. The secondary Plan may reduce the benefits it pays so that payments from all Plans equal 100 percent of the total Allowable Expense.

DEFINITIONS

(a) A "**Plan**" is any of the following that provides benefits or services for dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

(1) Plan includes: group, blanket, or franchise accident and health insurance policies, excluding disability income protection coverage; individual and group health maintenance organization evidences of coverage; individual accident and health insurance policies; individual and group preferred provider benefit Plans and exclusive provider benefit Plans; group insurance contracts, individual insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care; dental care components of individual and group long-term care contracts; limited benefit coverage that is not issued to supplement individual or group in-force policies; uninsured arrangements of group or group-type coverage; the dental benefits coverage in automobile insurance contracts; and Medicare or other governmental benefits, as permitted by law.

(2) Plan does not include: disability income protection coverage; the Texas Health Insurance Pool; workers' compensation insurance coverage; hospital confinement indemnity coverage or other fixed indemnity coverage; specified disease coverage; supplemental benefit coverage; accident only coverage; specified accident coverage; school accident-type coverages that cover students for accidents only, including athletic injuries, either on a "24-hour" or a "to and from school" basis; benefits provided in long-term care insurance contracts for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care, and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services; Medicare supplement policies; a state Plan under Medicaid; a governmental Plan that, by law, provides benefits that are in excess of those of any private insurance Plan; or other nongovernmental Plan; or an individual accident and health insurance policy that is designed to fully integrate with other policies through a variable deductible.

Each contract for coverage under (a)(1) or (a)(2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

(b) "**This Plan**" means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with like benefits, and may apply other separate COB provisions to coordinate other benefits.

The order of benefit determination rules determine whether This Plan is a primary Plan or secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits equal 100 percent of the total allowable expense.

(c) "**Allowable expense**" is a dental care expense, including deductibles, coinsurance, and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

(1) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.

(2) If a person is covered by one Plan that does not have negotiated fees and that calculates its benefits or services based on usual and customary fees, allowed amounts, relative value schedule reimbursement methodology, or other similar reimbursement methodology, and another Plan that provides its benefits or services based on negotiated fees, the primary Plan's payment arrangement must be the Allowable Expense for all Plans. However, if the health care provider or physician has contracted with the secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary Plan's payment arrangement and if the health care provider's or physician's contract permits, the negotiated fee or payment must be the Allowable Expense used by the secondary Plan to determine its benefits.

(3) The amount of any benefit reduction by the primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, prior authorization of admissions, and preferred provider arrangements.

(d) "**Allowed amount**" is the amount of a billed charge that a carrier determines to be covered for services provided by a nonpreferred provider. The allowed amount includes both the carrier's payment and any applicable deductible, copayment, or coinsurance amounts for which the insured is responsible.

(e) "**Closed Panel Plan**" is a Plan that provides dental care benefits to covered persons primarily in the form of services through a panel of health care providers and physicians that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other health care providers and physicians, except in cases of emergency or referral by a panel member.

(f) "**Custodial Parent**" is the parent with the right to designate the primary residence of a child by a court order under the Texas Family Code or other applicable law, or in the absence of a court order, is the parent with whom the child resides more than one-half of the calendar year, excluding any temporary visitation.

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

ORDER OF BENEFIT DETERMINATION RULES

(a) The primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.

(b) Except as provided in (c), a Plan that does not contain a COB provision that is consistent with this policy is always primary unless the provisions of both Plans state that the complying Plan is primary.

(c) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage must be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
(d) A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

(e) If the primary Plan is a Closed Panel Plan and the secondary Plan is not, the secondary Plan must pay or provide benefits as if it were the primary Plan when a covered person uses a noncontracted health care provider or physician, except for emergency services or authorized referrals that are paid or provided by the primary Plan.

(f) When multiple contracts providing coordinated coverage are treated as a single Plan under this subchapter, this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one carrier pays or provides benefits under

the Plan, the carrier designated as primary within the Plan must be responsible for the Plan's compliance with this subchapter.

(g) If a person is covered by more than one secondary Plan, the order of benefit determination rules of this subchapter decide the order in which secondary Plans' benefits are determined in relation to each other. Each secondary Plan must take into consideration the benefits of the primary Plan or Plans and the benefits of any other Plan that, under the rules of this contract, has its benefits determined before those of that secondary Plan.

(h) Each Plan determines its order of benefits using the first of the following rules that apply.

(1) **Nondependent or Dependent**. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber, or retiree, is the primary Plan, and the Plan that covers the person as a dependent is the secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent and primary to the Plan covering the person as other than a dependent, then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber, or retiree is the secondary Plan and the other Plan is the primary Plan. An example includes a retired employee.

(2) **Dependent Child Covered Under More Than One Plan**. Unless there is a court order stating otherwise, Plans covering a Dependent Child must determine the order of benefits using the following rules that apply.

(A) For a Dependent Child whose parents are married or are living together, whether or not they have ever been married:

(i) The Plan of the parent whose birthday falls earlier in the calendar year is the primary Plan; or

(ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the primary Plan.

(B) For a Dependent Child whose parents are divorced, separated, or not living together, whether or not they have ever been married:

(i) if a court order states that one of the parents is responsible for the Dependent Child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree.

(ii) if a court order states that both parents are responsible for the Dependent Child's health care expenses or health care coverage, the provisions of (h)(2)(A) must determine the order of benefits.

(iii) if a court order states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent Child, the provisions of (h)(2)(A) must determine the order of benefits.

(iv) if there is no court order allocating responsibility for the Dependent Child's health care expenses or health care coverage, the order of benefits for the Child are as follows:
(I) the Plan covering the custodial parent;

(II) the Plan covering the spouse of the custodial parent;

(III) the Plan covering the noncustodial parent; then

(IV) the Plan covering the spouse of the noncustodial parent.

(C) For a Dependent Child covered under more than one Plan of individuals who are not the parents of the Child, the provisions of (h)(2)(A) or (h)(2)(B) must determine the order of benefits as if those individuals were the parents of the Child.

(D) For a Dependent Child who has coverage under either or both parents' Plans and has his or her own coverage as a dependent under a spouse's Plan, (h)(5) applies.

(E) In the event the Dependent Child's coverage under the spouse's Plan began on the same date as the Dependent Child's coverage under either or both parents' Plans, the order of benefits must be determined by applying the birthday rule in (h)(2)(A) to the dependent Child's parent(s) and the dependent's spouse.

(3) **Active, Retired, or Laid-off Employee**. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan that covers that same person as a retired or laid-off employee is the secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the Plan that covers the same person as a retired or laid-off employee or as a dependent of a retired or laid-off employee does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.

(4**) COBRA or State Continuation Coverage**. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber, or retiree or covering the person as a dependent of an employee, member, subscriber, or retiree is the primary Plan, and the COBRA, state, or other federal continuation coverage is the secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.

(5) **Longer or Shorter Length of Coverage**. The Plan that has covered the person as an employee, member, policyholder, subscriber, or retiree longer is the primary Plan, and the Plan that has covered the person the shorter period is the secondary Plan.

(6) If the preceding rules do not determine the order of benefits, the allowable expenses must be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the primary Plan.

EFFECT ON THE BENEFITS OF THIS PLAN

(a) When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans are not more than the total allowable expenses. In determining the amount to be paid for any claim, the secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any allowable expense under its Plan that is unpaid by the primary Plan. The secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary Plan, the total benefits paid or provided by all Plans for the claim equal 100 percent of the total allowable expense for that claim. In addition, the secondary Plan must credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

(b) If a covered person is enrolled in two or more closed panel Plans and if, for any reason, including the provision of service by a nonpanel provider, benefits are not payable by one closed panel Plan, COB must not apply between that Plan and other closed panel Plans.

COMPLIANCE WITH FEDERAL AND STATE LAWS CONCERNING CONFIDENTIAL INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We will comply with federal and state law concerning confidential information for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. Each person claiming benefits under This Plan must give Us any facts it needs to apply those rules and determine benefits.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by Us is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-800-438-6388. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR DENTAL INSURANCE BENEFITS

When a claimant files a claim for Dental Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days of the date of a loss.

Claim and Proof may be given to Us by following the steps set forth below:

Step 1
A claimant can request a claim form by calling Us at 1-800-438-6388.

Step 2
We will send a claim form to the claimant within 15 days of the request. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

Step 3
When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

Step 4
The claimant must give Us Proof not later than 90 days after the date of the loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will notify You acknowledging receipt of Your claim, commence with any investigation, and request any additional information within 15 days of receipt of Your claim.

MetLife will notify You in writing of the acceptance or rejection of Your claim within 15 business days of receipt of all information needed to process Your claim.

If MetLife cannot accept or reject Your claim within 15 business days after receipt of all information, MetLife will notify You within 15 business days stating the reason why we require an extension. If an extension is requested, We will notify You of our decision to approve or deny Your claim within 45 days. Upon notification of approval, Your claim will be paid within 5 business days.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

CLAIMS INFORMATION

Dental Benefits Claims

Procedures for Presenting Claims for Dental Benefits

All claim forms needed to file for benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist you or, if applicable, your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for dental benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for dental benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may make two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.

Urgent Care Claim Submission

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the time frames above and then mail you a written notice.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your dental coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

a. the end of the 18, 29 or 36 month continuation period, as the case may be;

b. the date of expiration of the last period for which the required payment was made;

c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;

d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your dental coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

Qualifying Event Due To Bankruptcy Of Employer

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Employer, and that bankruptcy results in the loss of coverage of any retired employee covered under This Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's covered spouse and covered dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under This Plan.

If You Elect COBRA

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

Duration Of COBRA Coverage

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

Disability. If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or

- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

Subsequent Qualifying Events. If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

Premiums For COBRA Coverage

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

Initial Premium Payment

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Dental Plan Insurance

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

The Plan Administrator shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

- Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section III.

IV. Participants Rights

- Report to the Plan any security incident of which it becomes aware. In this context, the term "security incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in information systems such as hardware, software, information, data, applications, communications, and people.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Dental Insurance:

If you take a leave from employment for "service in the uniformed services," as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer's group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents' insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act ("COBRA") while you have dental insurance coverage under your employer's group dental insurance policy pursuant to USERRA. Contact your employer for more information.
